Gloria:

I was contacted by the company representative below. NORCO has not responded to this company for payment of their invoices for work that was performed at the Falcon Refinery Superfund Site. I expect NORCO to handle their obligations or if the agreement between NORCO and Lazarus requires Lazarus to make this payment then NORCO should be forwarding these invoices to Lazarus for payment and such payment should be made on a timely basis. I expect one of the two companies (NORCO or Lazarus) to immediately make payment on these invoices or make other arrangements with Gainco. I want to be notified when these invoices have been paid or other satisfactory arrangements have been made with Gainco for payment.

Thanks

Mr. Moore,

Here are the three invoices that Mr. Bergner owes us for. I have not had a response from him in the last month. I have attempted to email and call him.

If you need anything else please let me know.

I appreciate your help.

Thanks!
